The Victoria Gardens is located in the Jardins Victoria in Vilamoura overlooking the golf course next to the fairway of the Millennium Golf Course and a stones throw from the clubhouse of the Victoria Golf Course. Also close by are the fabulous beaches and the Vilamoura Marina. The Victoria Gardens is an exclusive condominium in Mediterranean architecture and with high quality interior finishings. The eight townhouses alongside the golf course have spectacular terraces with barbecue and dazzling views over the golf course and the sea. The living rooms are spacious and have a big fireplace. The fully equipped kitchen has a hatch connecting it to the dining room and a large outdoor patio attached. Completing the ground floor there is also a bedroom and a bathroom. On the first floor the two en-suite bedrooms both have large terraces and there is a loft with storage space. There is a direct access from the inside of the houses to two parking spaces. The very spacious apartments have spectacular views from the top floor over the golf courses the sea and the pine forest. At the Victoria Gardens there are gardens and a communal pool for adults and children. This closed condominium with 48 three-bedroom houses and 1- or 2-bedroom apartments is currently under construction with the planned completion date of the project being the fourth quarter of 2008.
